Re: Lakeview Rock Products Beck Street Large Mine NOI

Dear Ms. White

We have tried numerous times to set up a meeting with Lynn Pace, but have not been able to do so since receiving your letter. We are requesting a time extension to see if we can somehow come to an agreement with Salt Lake City. In Mr. Pace's letter he states that "The City believes that there is no substantive disagreement between Lakeview and the City as to where that excavation limit line should be located". We believe it is in the best interests of all parties to get this completed, rather than change the plan now, and then have to charge it back as soon as some of these issues are resolved. We would like to request an additional 30 days time to try to resolve this with Salt Lake City.

Thank you in advance for your help in this matter.

Sincerely,

Lakeview Rock Products, Inc.
